## MYSORE LOCAL EXAMINATIONS.

*Notification D. No. 7—35-36, dated 10th July 1935.*

It is hereby notified for the information of the public that the Mysore Vernacular Lower Secondary Examination will be called the "UPPER PRIMARY EXAMINATION," with effect from the 1936 Examinations.

## (MYSORE LOCAL EXAMINATIONS).

*Notification D. No. 8-4 of 35-36—L. E. 230 of 34-35, dated 11th July 1935.*

As it has been brought to the notice of the Department that it will act as a hardship on candidates that have undergone the S. S. L. C. Course in "History" according to the old syllabus, if such candidates as wish to take the S. S. L. C. Public Examination of 1936, are required to answer the question paper on "Histories of India and England including Civics" set according to the revised syllabus now in force, it is hereby notified for general information that as a transitory arrangement and with a view to afford facilities to those candidates that failed in the S. S. L. C. Public Examination in 1935, and earlier, having studied the Histories of India and England according to the old syllabus, to pass the S. S. L. C. Examination of 1936, arrangements will be made to have the question paper on "Histories of India and England including Civics" set for the S. S. L. C. Public Examination of 1936, in three parts as indicated below :—

- (1) *Part "A"*.—This will contain questions on the History of England and will be common to all candidates.
- (2) *"Part B"*.—This will contain questions on the Special Period in the History of India, *viz.*, Pre-Mussalman Period up to 1200 A. D., and in Civics, and is intended for pupils who were promoted to the Sixth Form at the beginning of the School Year 1935-36, having been in the Fifth Form during the year 1934-35.
- (3) *Part "C"*.—This will contain questions on Indian History according to the old syllabus and is intended for candidates who have not gone through the two years' course in Civics according to the revised syllabus and who either failed in the S. S. L. C. Examination in 1935, or earlier, or did not take that Examination in 1935, though they were in the Sixth Form during the year 1934-35.

*Note.*—Every candidate for the Examination will have to answer the questions in (1) Part "A" and (2) Part "B" or Part "C." No candidate will be permitted to answer a few questions from Part "B" and a few from Part "C". The candidate will have to confine himself to the Part selected by him "B" or "C".

In this connection, it should be distinctly understood that the above arrangement has been ordered as a special case for the transition period and is applicable only to the S. S. L. C. Public Examination of 1936, and that there will be no further concession of the kind beyond the Examination of 1936. The papers for the Examinations of 1937 and later will be confined to the revised syllabus *viz*, History of England, Special Period in Indian History and Civics.
